LEXIS NEXIS (R) FORMS FORM 727-63,220

UNIFORM COMMERCIAL CODE FINANCIAL STATEMENT 1  
TO THE HONORABLE JUDGE OF SAID COURT:

I Anthony Chambers am the lien Claimant filing the attached financing Statement. I declare, under UCC Article 9 as follows:

This statement is issued pursuant to the authority of the UCC to enable Anthony Chambers, the holder of this Statement to register or obtain new Collateral describe in this Statement.

DEFAULT BY DEBTOR

Anthony Chambers is the debtor in a Secured transaction held by the U.S. Treasury Department ( Janet Yellen ) involving Security interest in the following Collateral:

FICTION/CORPORATIONS/DEBT/SOVEREIGN

ANYTHING Man Creates is a FICTION - it is not real - it will pass away  
ANYTHING the Creator Creates is Real and will last forever. The Ledgers  
Right Side are FICTIONS or CORPORATIONS and being Mans Creation can  
only Create DEBT. ANYTHING the Creator Creates, SOVEREIGN MAN-  
KIND, is Real and the SOVEREIGN Creates ENERGY, which is Money's Creation  
So FICTIONS/CORPORATIONS Create DEBT-SOVEREIGN Mankind Creates  
Money

Exercise of Remedies by Secured Party

On December 31, 1981, the U.S. Treasury Department, Secured party in the Secured transaction with ANTHONY CHAMBERS exercised its post-default remedies as a third party "CONTRACT"/STRAWMAN under UCC Section 9-610 with respect to the Collateral.

## TRANSFER OF COLLATERAL

As a result of the Secured party's exercise of its post-default remedies, the debtor's interest in the Collateral Monetary funds in the sum amount of \$100,000,000.00 to obtain bond on his release in which is owed to Chambers under the UCC Article 9 STRAWMAN shall be transferred to Anthony Chambers account Number CID 0103895 location at the McLennan County Jail in Waco, Texas

## FACTS

The SOVEREIGN could not be forced into the FEDERAL CORPORATION THE UNITED STATES OF THE UNITED STATES OF AMERICA. The SOVEREIGN (Anthony Chambers) could not have his rights for Contracting taken away from him - except the FICTION/GOVERNMENT/CORPORATION could get US, by our permission or consent by Assent for turning over these rights for the PRIVILEGE? It is through an illusion "We will take your Birth Certificate as a means for the Money Creation" the GOVERNMENT creates Bonds, Notes, Etc, lets us think they have some magical means for creating money, and if we want some money - give us your rights It is the SOVEREIGN who owns everything - BOTH THE DEBT SIDE - i.e. STRAWMAN - and the PRIVATE SIDE

## NO CASE

On or about 1938, Erie Railroad vs. Tompkins was established by the Supreme Court - where there is no contract there is NO CASE

WHEREFORE, Anthony Chambers prays this Court grants this UCC Financial Statement Article 9 of the United States Constitution rights

Respectfully Submitted this on the 3rd day of Mar. 2022
